These are generally more challenging and layered arrangements, sometimes split into more parts, but always enjoyable and satisfying to sing and perform.

We have partnered with Making Music to offer many of the pieces in this collection, but all the works here offer a really exciting challenge for a choir wanting to take on something new.

We're a digital marketplace for choirs, providing high quality choral arrangements and compositions, created by leading composers and choir leaders. The arrangements can be purchased and downloaded as sheet music or audio learning tracks.

Leisure-time Choirs

If you are a community, workplace or other leisure-time choir then we have specific collections of music which have been curated to deliver the enjoyable and affordable music you are looking for.

Favourites Collection

This is a selection of our most popular and best-selling titles, as well as some of our own personal favourites. All appropriate for community choirs

Rounds and Warmups Section

A great way to make beautiful harmony with minimum time and effort! The arrangements in this section can be used as warmup exercises but also have real originality and depth.
